Class of '57 plans reunion for June 22-24, 2007

Members of Cedar Falls (IA) High School's Class of 1957 will gather in Cedar Falls next summer to celebrate the fiftieth anniversary of their graduation.

The local arrangements committee has planned a series of events beginning Friday, June 22, 2007. That evening, classmates and their guests will enjoy an informal event at the John Deere Supervisors' Club; on Saturday, June 23, a dinner at the Pipac Center in Cedar Falls; and on Sunday, June 24, a picnic at the home of Jerry and Gerry (Bernard) Martinson.

Class members will receive additional details and registration and housing information early in 2007.

Communications Committee co-chairs Dee Ann (Schafer) Christensen and Terry Ley will distribute a survey as soon as they have confirmations of class members' contact addresses. The survey responses will provide information for a special golden anniversary publication they are planning.

Class members are urged to mark their calendars now and to begin making plans to be in Cedar Falls for this landmark reunion.

Committee seeks contact information

By Terry Ley

The fact that you have received this initial reunion newsletter is cause for some celebration. Charged with the responsibility of publicizing the reunion and preparing a special publication, the Communications Committee's first task was updating the contact information published in the booklet produced for our forty-fifth reunion. Several ambitious "address sleuths" and Edwin Hollis's records were very helpful as we compiled the working contact list that we used to get this newsletter to you.

We need two things from you, even if you cannot attend the reunion: (a) updated contact information from you and (b) your help in locating classmates for whom we have no current contact information.

If you received this newsletter in your USPS mailbox, you will find a contact information form enclosed. Please complete it **before December 15** and send it to Terry Ley, 739 Wild Ginger Lane, Auburn, AL 36830. Please include an e-mail address if you have one so that we can send future newsletters to you via e-mail. If you have e-mail access, you can follow the instructions below for confirming your contact information.

If you received this newsletter via e-mail or have e-mail access, please e-mail me at leyterr@charter.net with this information: your name, current address(es), current telephone number(s), and your preferred e-mail address. **Please send it before December 15.**

We will use these addresses for sending occasional newsletters and, early next year, a class survey and registration and housing information. Even if you cannot attend the reunion, we hope that you will provide information in the survey that we can use in our publication. (You will be able to purchase a copy of the publication even if you cannot attend the reunion.)

We will also include your contact information in a directory portion of that publication.

Despite our good help, we have no current contact information for ten class members.

If you have or can obtain any information that might help us to get in touch with these classmates, please include it when you confirm your own contact information: Jay

Armstrong, Mary Carrier, Jerry Davis, Donna Eckert, Gretchen Fisher, David Garrison,

Arman Gowen, Don Hickey, Pat Maulthauf, and Lynne Newport.

Hi-Line Archives to Stir Memories

Between now and June 22-24, 2007, we'll be reminding you of some of the highlights of our senior year by publishing occasional *Tiger Hi-Line Archives* newsletters. In them you will find gleanings from archival issues of the 1956-1957 *Hi-Line*. We are enclosing or attaching the first newsletter, which highlights some events reported in the *Hi-Line* during September and October 1956.
